

Aquatic Invasive Species

Photo Contest Rules

Golden Sands Resource Conservation & Development Council, Inc. is hosting a photo contest for kids this summer, with prizes including gift cards to local sporting goods stores. This contest aims to promote awareness of local invasive species, and encourage youth to be active in the fight against invasives.

- Open to all middle school and high school students in Portage, Wood, or Waushara County.
- Participants can photograph any aquatic invasive species (AIS) (i.e. Eurasian watermilfoil, rusty crayfish, zebra mussel, purple loosestrife, etc.). These invasive species occur throughout all three counties mentioned above.
- Ideas or lists of AIS locations in your county can be found at www.dnr.wi.gov/ais .
- Photos can be digital or printed, and should be sent to Paul Skawinski, skawinsp@co.portage.wi.us or at the address below:

Golden Sands RC&D
1462 Strongs Avenue
Stevens Point, WI 54481

Photo submission ends on May 1st, 2010,

Winners will be announced on May 15th, 2010.
