

Golden Sands RC&D Pasture Walk

Morning Breeze Farm: Managing Your Pasture

Morning Breeze Farm runs a 100% Certified Grass-Fed Cow/Calf operation which utilizes rotational grazing to manage their pastures. Come and learn from Morning Breeze Farm on methods they use to maintain and grow their pastures. Followed by a NRCS representative speaking on how to evaluate pastures using several different methods including: a pasture stick & pasture condition score sheet.

Date: June 14th, 2023 5-7pm
