*1972-2022 Conservation That Works!*

## **Bigalke Soil Walk**

At this event we will be discussing soil health by utilizing a soil pit and soil tests. Learn how to properly take a soil sample to send in to Midwest Laboratories and how to read the results. Then watch how to build compost and the benefits of compost teas for plant growth. This event is for anyone looking to improve their soil from hobbyists to home gardeners and farmers.

### **Date and Time**

Thurs, Sept 29th  
5pm-7pm

### **Location**

Aaron Bigalke  
N8590 Fish Rd  
New Lisbon, WI 53950
