

Partners & Other Organizations

- Giving Garden
 - The Giving Gardens program aims to promote and support efforts to maintain community gardens and provide educational garden programming in Portage County.
 - [Giving Gardens – Hunger and Poverty Prevention Partnership of Portage County \(hppp-pc.com\)](http://hppp-pc.com)
- Central Rivers Farmshed
 - Farmshed's mission is to grow a resilient local food economy.
 - [Home | Farmshed](#)
- Rooted
 - Collaborations rooted in food, land, and learning.
 - [Home - Rooted \(rootedwi.org\)](http://rootedwi.org)
- Go Farm Connect
 - A farmer-led initiative to build relationships between emerging farmers and ag agencies in MN and WI
 - [Go Farm Connect | Hammond MN | Facebook](#)
- Wisconsin Women in Conservation
 - WiWiC is a state-wide collaborative effort led by the Michael Fields Agricultural Institute in partnership with Renewing the Countryside, Marbleseed, and Wisconsin Farmers Union. A five-year multi-faceted project funded by the USDA's Natural Resources Conservation Service (NRCS), WiWiC brings together Wisconsin women landowners to learn about conservation practices, resources, and funding opportunities.
 - [Wisconsin Women in Conservation \(wiwic.org\)](http://wiwic.org)
- Victory Garden
 - Victory Garden Initiative builds communities that grow their own food, to create a community-led, socially just, environmentally sustainable, nutritious food system for all.
 - [Victory Garden Initiative](#)
- Wisconsin Farmers Union
 - Wisconsin Farmers Union, a member-driven organization, is committed to enhancing the quality of life for family farmers, rural communities, and all people through educational opportunities, cooperative endeavors, and civic engagement.

- Savanna Institute
 - Catalyze the development and adoption of resilient, scalable agroforestry.
 - [Savanna Institute | Laying the groundwork for agroforestry in the Midwest](#)

- WI NRCS
 - NRCS helps private landowners improve the health of their operations while protecting our natural resources for the future. We are working to ensure the long-term sustainability of American agriculture.
 - [Wisconsin | Natural Resources Conservation Service \(usda.gov\)](https://www.usda.gov/nrcs/wisconsin)
- UW Extension
 - Extension's Agriculture Institute is your connection to the latest University of Wisconsin-Madison research. Our five program areas; Agriculture Water Quality, Crops and Soils, Dairy and Livestock, Farm Management, and Horticulture, are here to educate and respond to the needs of the agriculture community while providing resources that promote economic and environmental sustainability in Wisconsin. We apply research to challenges facing communities and businesses.
